Dear Ms. Gilbert:

Please let this letter inform you and your staff that effective June 24, 2014 *C-SPAN and C-SPAN2* will be available to Broadcast Basic residential and business subscribers in our New Jersey systems.

C-SPAN in the Elizabeth, Hamilton, Hudson, Paterson & Ramapo systems for residential customers will move to the Broadcast Basic package from the Optimum Value and grandfathered Family packages and above and for business customers will move to the Broadcast Basic package from Optimum Business and Entertainment packages.

C-SPAN2 in all New Jersey systems, except Paterson, for residential customers will move to the Broadcast Basic package from the Optimum Value and grandfathered Family packages and above and for business customers will move to the Broadcast Basic package from Optimum Business and Entertainment packages. There is no additional cost for the channels and the channel locations will not change.

Customers will be notified of this programming change through on-air banners and bill messages.
