**Subject:** JCP&L Annual Vegetation Mgt. Aerial Patrol Notification 6/23-6/27

Please be advised that the Haverfield Company will be conducting JCP&L's Transmission Vegetation Management Aerial Patrol. This inspection is scheduled to be performed from 6/23/14 through 6/27/14. Patrols consist of Transmission Forestry Supervision personnel that accompanies the pilot in order to identify effectiveness of prior year's herbicide application and identification of any conditions warranting further inspection from the ground and/or corrective action.

The pilot will be in communication with any local Airports when in their airspace. The helicopter will be flying at a speed of about 35-40 mph above or alongside the transmission lines, and may circle around for a closer inspection. The helicopter scheduled for these patrols is a black helicopter with w/ registration (tail) number N686F.

Please share this information as appropriate. If you require additional details or would like additional information, please contact your local Area Manager at JCP&L.
