Join us in Silicon Valley to attend the 2014
NLC University Leadership Summit!

This year's NLC University Leadership Summit, Leading through Innovation, hosted by the City of Mountain View, CA, will be held at the Santa Clara Hilton on August 13-16th. The Summit is NLC's most in-depth and exclusive personal leadership development workshop.

This year we will explore the connection between leadership and innovation.

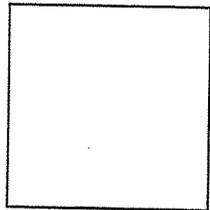

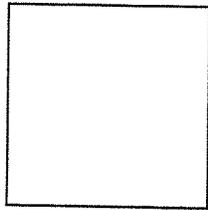

The Summit features presentations by noteworthy leadership scholars and provides many opportunities for engaged learning and networking with leaders from across the nation. Attendance is limited to 120 people to make sure that you have plenty of time to spend with the presenters and to get to know your colleagues from other cities. Learn more about the Summit »

Apply to have your expenses paid!

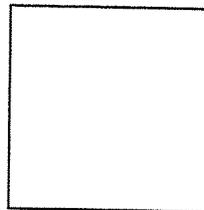

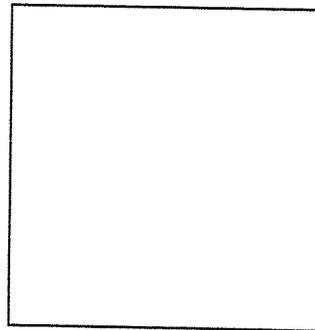

In recognition and remembrance of Councilmember Michael H. Lynch's passion for education and training, NLC offers a scholarship in the amount of \$2,500, which covers the registration fee and travel expenses of the recipient. All elected or appointed officials from an NLC member city are eligible to apply for the scholarship. **Applications will be accepted until July 15th.**
