Subject: 2013 Governor's Environmental Excellence Awards

Dear Mayor and Municipal Clerk:

The application for the 2013 Governor's Environmental Excellence Awards (GEEA) is now available and posted at www.nj.gov/dep/eeawards. **Completed applications are due by September 6, 2013.**

A flyer and an electronic announcement that promote the program are also posted at the website.

Your assistance with distributing or circulating the flyer and e-announcement at DEP programs and meetings and to your stakeholder and constituent groups would be greatly appreciated. In addition, feel free to distribute or circulate these promotional items to audiences in your non-DEP life, such as environmental organizations, civic and community groups, educational institutions, etc.

The Governor's Environmental Excellence Awards Program is the State's premier awards program for recognizing outstanding environmental performance, programs and projects throughout the state. These awards recognize individuals, businesses, educators, institutions, communities, organizations, youth and others who have made significant contributions to environmental protection in New Jersey.

126 entities have been recognized since the awards program was established in 2000. Nominations can be submitted for the following categories: Clean Air, Healthy Ecosystems, Water Resources, Land Conservation, Healthy and Sustainable Communities/Businesses, Innovative Technology, and the new "Environmentalist of the Year" category.

The New Jersey Governor's Environmental Excellence Awards Program is sponsored by the New Jersey Department of Environmental Protection and the New Jersey Corporation for Advanced Technology, in partnership with the New Jersey State League of Municipalities.

Questions about the Governor's Environmental Excellence Awards Program can be forwarded to:
