Register for the Congress of Cities and Exposition
If you are having trouble viewing this email, [view it online](#).

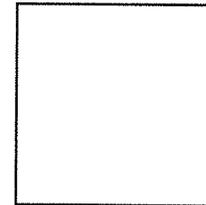

Get the worm and register today.

Register for the Congress of Cities and Exposition by July 31st to take advantage of our reduced advanced registration rates.

The Congress of Cities and Exposition will be held in Seattle, WA from November 13 through November 16. The Conference will bring together local leaders from cities across the United States. Participants will find a range of learning and networking opportunities highlighting successful programs from the City of Seattle and communities across the country.
