RE: Programming Change

Dear Ms. Gilbert:

Please let this letter serve to inform you and your staff that *Puerto Rico Network* channel 1027, included in the Optimum en espanol package, notified Cablevision today that they will cease operations effective July 1, 2014. *Puerto Rico Network* will no longer be available to Cablevision customers in all New Jersey systems.

Cablevision hereby respectfully requests a waiver pursuant to §14.18-3.17(c) on the grounds that *Puerto Rico Network* ceased US distribution operations immediately without notice which left Cablevision with insufficient time to comply with the 30 day advance notification requirement of §14-18-3.17(a) and (b).

Should you have any questions, please do not hesitate to contact me at 609-571-9041 or by email at [tbarnes1@cablevision.com](mailto:tbarnes1@cablevision.com).

Please note the Government Affairs office for New Jersey is located at 124 West State Street, Trenton, NJ 08608.
