Insured children and families lead to better high school completion rates, financial savings for the community, and less reliance on emergency health services.

How else do cities benefit from insured residents, and how can city leaders connect families to insurance? Learn more during National League of Cities' free webinar on **Tuesday, July**

**29, 2-3:15pm EST** called *Cities Expanding Health Access for Children and Families*, led by Mayor of St. Paul Chris Coleman with special guest speaker Cindy Mann, Deputy Administrator of the Centers for Medicare and Medicaid Services and Director of the Center for Medicaid and CHIP Services.

Register and learn how to increase insured families in your community!
