Dear Mr. Blischok:

In response to your agents request on June 12, 2014, the above application is hereby considered withdrawn and no further action will be taken. Based on a review of the information submitted, it was determined that the legalization of the constructed three navigation monuments in transition areas was not permissible under a Freshwater Wetlands General Permit No. 21. Please note that a Letter of Interpretation - Line Verification and Transition Area Waiver for the site are currently pending and will be addressed under a separate cover.

Please note that in accordance with N.J.A.C. 7:7A-12.6(d), the fees submitted with this application are non-refundable after the initial 20 working day review period, except that the fee may be credited for the same project within one year of the date of the notice of withdrawal.

If you have any questions regarding this authorization, please contact Patrick Ryan of my staff at (609) 633-6563 or at patrick.ryan@dep.state.nj.us. Please reference the above program interest number.
