August 16—EARTH Center 100th Anniversary

Garden Field Day and Open House

The Rutgers Cooperative Extension of Middlesex County will host its Garden Field Day/Open House from 11 a.m. to 3 p.m. Saturday, Aug. 16 at the EARTH Center located in Davidson's Mill Pond Park, 42 Riva Ave., South Brunswick.

The day will be filled with activities for the whole family, from garden tours to walking tours and presentations on Organic Gardening and Landscaping, Compost Tea and container gardening. Kids can meet MC Blue, the recycling robot. Also on display will be alternative energy vehicles used by the county and local residents. "Garden Field Day is great day of fun for the whole family at one of Middlesex County's most beautiful parks," said Freeholder Director Ronald G. Rios.

Attendees are encouraged to bring their homegrown entries for categories such as: biggest tomato, biggest cucumber, biggest squash, biggest watermelon, longest gourd, and for all vegetables: best Likeness to a Celebrity or Historical Figure.
