Dear Elected Official:

As the summer season is now upon us, please see the attached letter from the Department of Environmental Commissioner Bob Martin. Please consider sharing this information with your constituents, highlighting events and new online upgrades for New Jersey's 39 State Parks, 11 Forests, 35 Historic Sites and 121 Wildlife Management Areas.

Sincerely,

Cindy W. Randazzo

June 26, 2013

Dear Elected Official:

As the summer season is now upon us, on behalf of the Christie Administration, the New Jersey Department of Environmental Protection (DEP) would like to remind you of the many events and natural resources that are available for your constituents at New Jersey's 39 State Parks, 11 Forests, 35 Historic Sites and 121 Wildlife Management Areas.

As you are aware, several of our Parks sustained damage from Superstorm Sandy. I am pleased to announce all of our State Parks, Forests, Historic Sites and Wildlife Management areas were reopened shortly after the storm.

Last year, New Jersey's State Parks had 19 million visitors. Our parks offer opportunities to experience first-hand New Jersey's natural and historic resources through our wildlife management and interpretive centers, hiking trails, lakes, rivers, forests, beaches and historic monuments and battlefields covering 800,000 acres.

I am pleased to announce the launch of our **new mobile phone applications and online camping reservation system** to help visitors plan for and make the most out of their trips to our wonderful resources.

I hope you will share the following links with your constituents:

New Jersey State Parks and Forests, GPS Mobile App and Online Camping Reservations:
