Subject: Invitation to 2013 NJ Complete Streets Summit!

Good afternoon:

You are cordially invited to attend the 2013 New Jersey Complete Streets Summit in New Brunswick on Monday, **October 21**. The Summit is hosted by the Alan M. Voorhees Transportation Center (VTC) and New Jersey Department of Transportation (NJDOT). This **FREE invitation-only** event is targeted toward engineers, planners, and elected officials. Lunch will be provided and a reception will follow the Summit.

The Summit will feature **Charles "Chuck" Marohn, PE, AICP**, author and co-founder of Strong Towns, as the keynote speaker. Welcoming remarks will be delivered by **NJDOT Commissioner James Simpson**. Sessions are expected to include Contextualizing Complete Streets, Rightsizing Streets, Complete Streets Implementation, and Making the Case for Complete Streets. To register for this **FREE** event, please visit <http://njbikeped.org/summit>

If you cannot personally attend, please designate someone else from your municipality or county to register in your place. Space is limited and registrations must be submitted by **September 30**. We are currently working to offer AICP credits and PDHs for attendance.

COMPLETE STREETS

Summit | Monday, October 21, 2013

**Rutgers Student Center
126 College Avenue
New Brunswick, NJ**

**Registration 8 AM
Summit 8:30AM to 4PM**

In the state of New Jersey, 65 Municipalities and 5 counties have adopted complete streets policies. The Alan M Voorhees Transportation Center (VTC) and NJDOT would like to help spread the word and encourage more counties and municipalities to adopt their own policies.

Welcoming Remarks by NJDOT Commissioner James Simpson

Keynote Speaker: Charles "Chuck" Marohn Jr., PE, AICP- author of *Thoughts on Building Strong Towns (Volume1)*, primary author of the *Strong Towns Blog*, and host of *Strong Towns Podcast* and *See it Differently TV*

Topics Include:

Contextualizing Complete Streets

Rightsizing Streets

Complete Streets Implementation

Making the Case for Complete Streets

Attendance at this event is by invitation only.

Attendees will include county and local engineers, planners and elected officials
