**PIVOTAL UTILITY HOLDINGS, INC. D/B/A ELIZABETHTOWN GAS
NOTICE OF PUBLIC HEARINGS**

In the Matter of the 2013/2014 Annual Compliance Filing for the Universal Service Fund and Lifeline Program Components Within the Societal Benefits Charge Rate Pursuant to N.J.S.A. 48:2-21 and N.J.S.A. 48:-21.1 Submitted by Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas BPU Docket No. ER13060534

TO OUR CUSTOMERS:

TAKE NOTICE that, pursuant to the New Jersey Board of Public Utilities' (Board) Orders dated April 30, 2003, July 16, 2003, June 30, 2004 and June 22, 2005, the State's electric and gas public utilities' Societal Benefits Charges include recovery of funding for the Universal Service Fund (USF) and Lifeline programs through uniform statewide rates. The USF program was established by the Board, pursuant to the Electric Discount and Energy Competition Act, N.J.S.A. 48:3-49, et seq., to provide funds to assist qualifying low-income individuals in paying their energy bills.

In its July 16, 2003 Order the Board established statewide rates through which funds for the USF and Lifeline programs are collected from customers of all of the electric and natural gas public utilities in the State through uniform rates, which rates became effective on August 1, 2003. The rates currently in effect were approved by the Board in its Order dated September 13, 2012.

Based upon the results known to date for the 2012/2013 USF program year and the available estimates for the 2013/2014 USF program year, it is anticipated that the USF gas rate should be set to collect approximately \$25.5 million from gas customers on a statewide basis. The July 16, 2003 Order also established the collection of funds to supplement Lifeline based on gas and electric utilities jurisdictional usages. The proposed statewide Lifeline gas rate is based on collecting approximately \$26.4 million from gas customers, on a statewide basis for 2013/2014, which incorporates funds for the Work First NJ program.

The change in rates inclusive of taxes and assessments are as follows: (i) the USF program charge will decrease from \$0.0136 to \$0.0059 per therm and (ii) the Lifeline charge will increase from \$0.0048 to \$0.0061 per therm for a total net decrease of \$0.0064 per therm. The revenues received under the proposed USF charge are designed to permit the Company to recover its costs for the USF program only. Actual program costs will be reconciled with the revenues received through the USF program charge in the next scheduled filing to be made no later than July 1, 2014. The revenues received under the proposed Lifeline charge are remitted to the New Jersey Department of Treasury for use in funding the Lifeline and Work First NJ programs. The State of New Jersey's Department of Community Affairs is the Administrator of the USF program and the New Jersey Department of Human Services is the Administrator of the Lifeline and Work First NJ programs and authorizes the disbursement of benefits to eligible customers in the respective programs. The above request will not result in any profit to the Company.

The proposed statewide rates inclusive of taxes and assessments for customers are as follows:

Universal Service/Lifeline Fund Components of the Societal Benefits Charge

	Present	Proposed
USF	\$0.0136	\$0.0059
Lifeline	\$0.0048	\$0.0061

AUG - 9 2013

If approved by the Board, the impact of the proposed rate changes on typical monthly residential gas bills for customers taking gas service under the Residential Delivery Service tariff is illustrated below:

Rate Impacts

<u>Consumption in Therms</u>	<u>Present Bill*</u>	<u>Proposed Bill</u>	<u>Change in Bill</u>	<u>Percent Change</u>
10	\$19.10	\$19.04	(\$0.06)	(0.3%)
50	\$63.50	\$63.18	(\$0.32)	(0.5%)
100	\$118.99	\$118.35	(\$0.64)	(0.5%)
250	\$285.48	\$283.88	(\$1.60)	(0.6%)

*For Rates in effect on June 10, 2013 inclusive of taxes and assessments.

Stated another way, based on this filing, the bill of a typical residential gas customer using 100 therms per month would decrease from \$118.99 to \$118.35, or (\$0.64) or (0.5%).

The Board has the statutory authority to establish the USF and Lifeline charges at levels it finds just and reasonable. Therefore, the Board may establish the USF and Lifeline charges at levels other than those proposed by Elizabethtown.

Copies of the Company’s June 21, 2013 filing are available for inspection at the Company offices located at 300 Connell Drive, Suite 3000, Berkeley Heights, New Jersey 07922, or online at Elizabethtown’s website: www.elizabethtowngas.com, or at the Board of Public Utilities, 44 South Clinton Avenue, 9th Floor, Trenton, NJ.

The following dates, times and locations for public hearings have been scheduled on the above filing so that members of the public may present their views:

August 26, 2013 at 4:30 p.m. and 5:30 p.m.
Hunterdon County Route 12 County Complex, Building #1, Flemington, New Jersey 08822

August 28, 2013 at 4:30 p.m. and 5:30 p.m.
Rahway Municipal Council, Court Chambers, City Hall Plaza, Rahway, New Jersey 07065

The public is invited to attend and interested persons will be permitted to testify and/or make a statement of their views on the proposed increases. In order to encourage full participation in this opportunity for public comment, please submit any requests for needed accommodations, including interpreter, listening devices or mobility assistance, 48 hours prior to the hearing. In addition, members of the public may submit written comments concerning the petition to the Board of Public Utilities regardless of whether they attend the hearing by addressing them to: Kristi Izzo, Secretary, Board of Public Utilities, 44 South Clinton Avenue, 9th Floor, P. O. Box 350, Trenton, NJ 08625-0350. Hearings will continue, if necessary, on such additional dates and at such locations as the Office of Administrative Law may designate in order to ensure that all interested persons may be heard.

Re: In the Matter of the 2013/2014 Annual Compliance Filing for the Universal Service Fund and Lifeline Program Components Within the Societal Benefits Charge Rate Pursuant to N.J.S.A. 48:2-21 and N.J.S.A. 48:-21.1 Submitted by Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas - BPU Docket No. _____

Dear Secretary Izzo:

Kindly accept for filing in letter form an original and ten copies of the Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas ("Elizabethtown" or "Company") 2013/2014 filing for the Company's Universal Service Fund ("USF") and Lifeline components of its Societal Benefits Charge ("SBC") rate. This filing is made in compliance with the New Jersey Board of Public Utilities' ("Board") Orders in Docket No. EX00020091 dated April 30, 2003, July 16, 2003, June 30, 2004 and June 22, 2005. The change in rates inclusive of taxes and assessments are as follows: (i) the USF gas rate is proposed to decrease from \$0.0136 to \$0.0059 per therm, and (ii) the Lifeline gas rate is proposed to increase from \$0.0048 to \$0.0061 per therm, resulting in a combined USF/Lifeline factor of \$0.0120 per therm, for a total net decrease of \$0.0064 per therm. The current rates, effective October 1, 2012, were approved by the Board in its Order dated September 13, 2012 in Docket No. ER12060565.

Based upon the actual results known to date for the 2012/2013 program year and the available estimates for the 2013/2014 program year, the proposed USF gas rate is designed to recover approximately \$25.5 million statewide. The proposed Lifeline gas rate, which also incorporates an allocation for WorkFirstNJ at the direction of the BPU Staff pursuant to a letter dated June 3, 2013,¹ is designed to recover approximately \$26.4 million statewide. The proposed rates are based on available gas jurisdictional usage estimates for 2013/2014. Attachment A of the PSE&G Compliance Filing, in this proceeding, presents the combined data of each of the State's utilities used to develop the proposed USF and Lifeline gas rates. Note that Elizabethtown's therms used to compute statewide rates exclude therms for wholesale sales used to generate electricity per the Senate Bill 2381, P.L. 2011 c.9 ("LCAPP Legislation") signed into law on January 28, 2011.

The Company has appended proposed tariff sheets to reflect the proposed gas USF and Lifeline rates noted above as Attachment A. The proposed rates are designed to recover Elizabethtown's portion of the above-referenced 2013/2014 statewide total USF and Lifeline programs. Also enclosed is a proposed form of Notice of Public Hearings as Attachment B.

The proposed statewide rate changes inclusive of taxes and assessments are as follows:

	Present	Proposed
USF	\$0.0136	\$0.0059
Lifeline	\$0.0048	\$0.0061

The impact of the proposed rate changes on typical monthly residential gas bills for customers taking gas service under the Residential Delivery Service tariff are as follows:

Consumption in Therms	Present Bill*	Proposed Bill	Change in Bill	Percent Change
10	\$19.10	\$19.04	(\$0.06)	(0.3%)
50	\$63.50	\$63.18	(\$0.32)	(0.5%)
100	\$118.99	\$118.35	(\$0.64)	(0.5%)
250	\$285.48	\$283.88	(\$1.60)	(0.6%)

*For Rates in effect on June 10, 2013 inclusive of taxes and assessments.

Accordingly, the Company respectively requests that the Board issue an Order approving the proposed statewide gas USF and Lifeline rates as shown in the proposed tariff sheets appended hereto as Attachment A effective for gas service rendered on and after October 1, 2013.

If you have any questions concerning the above, please contact Thomas Kaufmann at 908-771-8225.

Respectfully submitted,

/s/ Mary Patricia Keefe

Mary Patricia Keefe, Esq.
Vice President, Regulatory Affairs
