Mark your calendars for **Thursday, December 5, 2013**

**THE SUSTAINABLE RARITAN RIVER
MINI-CONFERENCE**

at Duke Farms

1112 Dukes Parkway West
Hillsborough, NJ 08844

The December 5 **Sustainable Raritan River Mini-conference** will pick up where our June conference left off, highlighting more current issues of concern for the Raritan region, and actions we can take for a more sustainable Raritan River.

The mini-conference will include

- an early morning *bird walk*

- a morning of *hot topics* and *informative workshops*, and
- an afternoon *working tour* of Duke Farm

The conference will be free; lunch and refreshments will be offered at cost.

The Sustainable Raritan River Mini-Conference is especially for municipal leaders, business leaders, county officials, non-profit organizations, state and federal government officials, environmental commissions, and civic-minded residents of all 98 Raritan River Basin communities. We are seeking professional continuing education credits for architects, engineers, floodplain managers, foresters, planners, and public works managers.

Watch our Website or Facebook page for updates.
