Re: The New York-New Jersey Trail Conference NJDEP Green Acres Planning Incentive Grant
Application Green Corridors II Project Area

Dear Township Clerk,

Please be advised that The New York-New Jersey Trail Conference has applied to the New Jersey Department of Environmental Protection Green Acres Program for Nonprofit Planning Incentive grant funding for its program initiatives. Our application is called Green Corridors II Project and it will allow The Trail Conference to purchase land or easements as needed, for trail extensions or to cure trail-gaps or road walks. You are receiving this notice because at least one of the proposed trails in the Green Corridors II project could pass through your town.

The Trail Conference, formed in 1920 and is a nonprofit organization that has partnered with state parks and other organizations to create, protect, and promote a network of over 2,000 miles of public trails in the New York-New Jersey metropolitan area. The Trail Conference organizes volunteer service projects that keep these trails open, safe, and enjoyable for the public.

This is a formal notification of our application. If you should require additional information or clarification, please contact me at (201) 512-9348 ext. 12, or our acquisition adviser, Sandy Urgo of The Land Conservancy New Jersey at (973) 541-1010, ext 30.

Very truly yours,

Edward K. Goodell
Executive Director
