Preparing for the Next Storm

Thursday, January 7, 2016 8-9:30AM

Geraldine R. Dodge Foundation, 14 Maple Avenue, Morristown

Is your town ready for the next Sandy?

Join us **tomorrow, January 7,** with **representatives from Suez (United Water) and Jersey Central Power and Light** as they discuss storm preparedness and restoring utilities after a devastating weather event. The speakers will focus on the types of events they are prepared for, and how collaboration between utility companies and municipal officials can strengthen a town's preparation and response to a storm.

This is a fantastic opportunity to meet and start a dialogue with the officials that represent your area.

The Great Swamp Passaic Municipal Alliance fosters an ongoing collaborative discussion of issues that transcend our individual municipal borders. Our goal is to approach shared concerns and address them in a regional and cost-effective manner by working together. This is an informal networking platform for the exchange of ideas, the sharing of concerns, and development of solutions, among people involved in municipal government.

If you have a question about a specific project or issue, please let us know when you RSVP. Please share this invitation with other municipal elected or appointed officials. **Please RSVP to srubin@greatswamp.org.** Thank you.

Costs underwritten by the Leavens Foundation
