CALL TO ACTION

Monday, January 11 is the last day of the legislative session -- and the last opportunity for Assembly members to vote on open space funding implementation bill A4197. If adopted, this critically needed bill would implement the funding voters approved in 2014 for Green Acres, farmland and historic preservation programs. The same bill passed unanimously in the Senate, 35-0.

We've got a few short days to get the bill up and passed and, thanks to your efforts, we're really close to getting it done!

Our immediate goal is to get A4197 on the floor for a full vote in the Assembly on Monday and passed with strong bi-partisan support. We're asking you to call your Assembly members and (1) have them ask the Speaker to put the bill up for a vote, and (2) vote for bill A4197.

A phone call is best, even if you need to leave a message. If you can't call, an email would help. To find your Assembly members, click [here](#).

Your help is needed **right now** to ensure we get the bill on the Governor's desk with strong legislative support!
