## LET'S FINISH WHAT WE STARTED!!!

Thanks to you, last week state Assembly members overwhelmingly approved open space funding implementation bill A4197. **But our work isn't finished!**

The bill now sits on the desk of Governor Chris Christie for signing. To see that he does sign it, it's essential that he hear a strong message of support for open space and preservation efforts here in New Jersey **from those who will benefit the most from it -- you!**

We're asking you to **contact the Governor today** and tell him that open space and preservation programs are vital for the health of New Jersey. Once on the page, select "Environment" in the dropdown box.

The critically needed bill, endorsed by RHA and the NJ Keep It Green Coalition, would implement the funding voters approved in 2014 for Green Acres farmland and preservation programs.

Getting the bill signed into law is almost reality! **Help us NOW to achieve that goal!**

Thank you for your support. **We couldn't do it without you!**
