Municipal Alliance Meeting, 10/26

Brownfields 101: How to Approach Brownfields in your Community

Wednesday, October 26, 2016 8-9:30AM

Geraldine R. Dodge Foundation, 14 Maple Avenue, Morristown

Are brownfields an eyesore in your community?

Brownfields, or former commercial sites that may have environmental contamination, are often viewed as a hindrance to the development of communities.

Join us and Meghan Hunscher, Executive Director of the Morris County Economic Development Corporation, as she discusses the **challenges and opportunities of redeveloping brownfields.**

RSVP by emailing Sally Rubin,
srubin@greatswamp.org.

The Great Swamp Passaic Municipal Alliance fosters an ongoing collaborative discussion of issues that transcend our individual municipal borders. Our goal is to approach shared concerns and address them in a regional and cost-effective manner by working together. This is an informal networking platform for the exchange of ideas, the sharing of concerns, and development of solutions, among people involved in municipal government.

Please share this invitation with other municipal elected or appointed officials, or other relevant parties.

For more than 30 years, the **Great Swamp Watershed Association** has been dedicated to protecting and improving water resources New Jersey's Great Swamp Watershed region. We do this by monitoring and maintaining streams and open space, advocating for intelligent land use and environmental policy, and educating communities about water and its effect on the health and natural beauty of the local environment.
