ANJEC members may make additional

The Congress is a statewide gathering of municipal environmental commissioners, state and local officials, members of New Jersey's environmental organizations, and others concerned about our state's environment. The congress includes workshops, exhibits, speakers and much more.

Key Note Speaker:

Dr. David Robinson, State Climatologist, Rutgers University, Geography Department Professor.

Featured Speaker:

Seth M. Siegel, author, *Let There Be Water: Israel's Solution for a Water-Starved World*

Online registration, click here.
