

PIVOTAL UTILITY HOLDINGS, INC. D/B/A ELIZABETHTOWN GAS
NOTICE OF PUBLIC HEARINGS

TO OUR CUSTOMERS:

C

On August 10, 2016, Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas ("the Company") filed a Petition with the New Jersey Board of Public Utilities ("Board") in Docket No. GR16080786 to revise its Weather Normalization Clause ("WNC"), its Clean Energy Program ("CEP") component of the Societal Benefit Charge ("SBC"), and its On-System Margin Sharing Credit ("OSMC"). The Company has petitioned the Board to establish a WNC rate of \$0.0230 per therm, a CEP rate of \$0.0254 per therm, and an OSMC credit rate of (\$0.0135) per therm to be effective October 1, 2016. The WNC allows the Company to implement surcharges or credits during the months of October through May to compensate for weather-related changes in customer usage from the previous winter period. The Company's SBC rate consists of four components: (1) the New Jersey CEP component which recovers the costs of statewide energy efficiency and renewable energy programs mandated by the Board, (2) the Remediation Adjustment Clause, which allows the Company to recover certain environmental remediation costs, and two statewide low-income energy bill payment assistance programs: (3) the Universal Service Fund; and (4) the Lifeline program. In this filing, the Company is addressing the CEP component of the SBC rate. The OSMC rate is designed to flow back to the Company's firm customers the margins received from on-system sales and transportation services. A comparison of the current approved and proposed rates inclusive of applicable taxes and assessments are as follows:

	<u>Current Rates</u> <u>per Therm</u>	<u>Proposed Rates</u> <u>per Therm</u>	<u>Increase/(Decrease)</u> <u>per Therm</u>
WNC	\$0.0000	\$0.0230	\$0.0230
CEP	\$0.0244	\$0.0254	\$0.0010
OSMC	(\$0.0175)	(\$0.0135)	\$0.0040
Total	\$0.0069	\$0.0349	\$0.0280

The proposed rates and effective date are subject to the Board's approval and may increase or decrease depending on the final determination. The combined effect of the Company's filing on a monthly bill of a typical residential customer using an average of 100 therms per month is illustrated below:

<u>Consumption in</u> <u>Therms</u>	<u>Current Bill</u>	<u>Proposed Bill</u>	<u>WNC, SBC & OSMC</u> <u>Change in Bill</u>	<u>Percent Change</u>
100	\$86.75	\$89.55	\$2.80	3.2%

Any assistance required by customers in ascertaining the impact of the proposed rate increase will be provided by the Company upon request.

The Board has the statutory authority to establish the aforementioned rates at levels it finds just and reasonable. Therefore, the Board may establish these rates at levels other than those proposed by the Company. Copies of the Petition are available for inspection at the Company's office located at 520 Green Lane, Union, New Jersey, online at Elizabethtown's website: www.elizabethtowngas.com, and at the Board of Public Utilities, 44 South Clinton Avenue, 7th Floor, Trenton, New Jersey.

PLEASE TAKE NOTICE that Public Hearings have been scheduled on the above mentioned Petition at the following times and places:

Monday, October 17, 2016
 4:30 pm and 5:30 pm
 Hunterdon County Complex, Route 12, Building #1, Flemington, New Jersey 08822

Wednesday, October 19, 2016
 4:30 pm and 5:30 pm
 Liberty Hall Corporate Center, 1085 Morris Avenue, Union, New Jersey 07083

The public is invited to attend and interested persons will be permitted to testify and/or make a statement of their views on the proposed increases. Information provided at the public hearings will become part of the record of this case and will be considered by the Board in making its decision. In order to encourage full participation in this opportunity for public comment, please submit requests for needed accommodations, including an interpreter, listening devices and/or mobility assistance, 48 hours prior to the above Hearings to the Board Secretary at the address below. In addition, members of the public may submit written comments concerning the Petition to the Board regardless of whether they attend the hearing by addressing them to: Irene Kim Asbury, Secretary, Board of Public Utilities, 44 South Clinton Avenue, 3rd Floor, Suite 314, P.O. Box 350, Trenton, New Jersey 08625-0350.

Re: *In The Matter Of The Petition Of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas To (1) Revise Its Weather Normalization Clause Rate; (2) Revise the Clean Energy Program Component Of Its Societal Benefits Charge Rate; and (3) Revise Its On-System Margin Sharing Credit - BPU Docket No. GR _____*

Dear Secretary Asbury:

Enclosed for filing are an original and ten copies of the Petition of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas ("Elizabethtown" or "Company") to the Board of Public Utilities ("BPU" or "Board") to (1) revise the Company's Weather Normalization Clause ("WNC") rate, (2) revise its Clean Energy Program ("CEP") component of the Societal Benefits Charge ("SBC") rate, and (3) revise its On-System Margin Sharing Credit ("OSMC"). Attached to and made part of the Petition are the testimony and supporting schedules of Company witness Thomas Kaufmann, marked as Exhibit P-1.

The WNC Rate

The Company proposes a WNC rate of \$0.0230 per therm inclusive of applicable taxes and assessments, applicable to the Company's Residential Delivery, Small General and General Delivery Classifications for the period October 1, 2016 through May 31, 2017. The proposed WNC rate reflects

the actual results for the 2015-2016 Winter Period as well as a prior year excess recovery balance. The current year's revenue deficiency of \$13,012,581 reflects the overall warmer than normal weather pattern during the 2015/2016 winter heating season. The calculation of the WNC rate and associated issues are addressed in Mr. Kaufmann's testimony.

The CEP Component of the SBC Rate

Elizabethtown's SBC was approved by the Board by an Order dated March 30, 2001 in BPU Docket No. GX99030121, *et al.* and November 21, 2001 in Docket No. EX00020091, *et al.* The SBC currently consists of four components: (1) the New Jersey Clean Energy Program ("CEP") component, (2) the Remediation Adjustment Clause ("RAC") component, (3) the Universal Service Fund ("USF") component, and (4) the Lifeline component. In this Petition, the Company is only addressing the CEP rate component of the SBC.

The Company proposes a CEP rate of \$0.0254 per therm inclusive of applicable taxes and assessments, to be effective October 1, 2016. This proposed CEP rate is designed to enable Elizabethtown to recover approximately \$11.5 million during the period ending September 30, 2017.

The OSMC Rate

Elizabethtown's OSMC is the rate mechanism by which certain margins from on-system, non-firm sales and transportation services are flowed back to the Company's firm sales and residential transportation customers. The OSMC was established pursuant to the Board's Order dated March 30, 2001 in BPU Docket No. GX99030121, *et al.* In accordance with the mechanism approved by the Board in Docket No. GX99030121, *et al.*, Elizabethtown proposes an OSMC credit of (\$0.0135) per therm inclusive of applicable taxes and assessments, to be effective October 1, 2016.

Total Customer Impact

The proposed adjustments to the WNC, CEP and OSMC rates would increase the monthly bill of a typical residential heating customer using 100 therms by \$2.80, from \$86.75 to \$89.55, or an increase of 3.2%, as compared to the Company's currently approved rates. Please contact the undersigned at (908) 662-8452 or Thomas Kaufmann at (908) 662-8461 if you have questions or require further information.

Yours truly,

/s/ Mary Patricia Keefe

Of Its Societal Benefits Charge Rate; and (3) Revise : **SUMMARY SHEET**
Its On-System Margin Sharing Credit :
-----X

This Petition presents the request of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas (“Petitioner”) that the Board of Public Utilities (“Board”) accept the filing of Petitioner’s revised Weather Normalization Clause (“WNC”), Clean Energy Program (“CEP”) component of the Societal Benefits Charge (“SBC”), and On-System Margin Sharing Credit (“OSMC”) rates as noted below, which are inclusive of applicable taxes and assessments. The Petition proposes (1) a WNC rate of \$0.0230 per therm effective October 1, 2016, (2) a CEP rate of \$0.0254 per therm effective October 1, 2016, and (3) an On-System Margin Sharing Credit of (\$0.0135) per therm effective October 1, 2016. The proposed filing would increase the monthly bill of a typical residential heating customer using 100 therms by \$2.80 or 3.2% as compared to the Company’s currently approved rates.
