Re: Application for Letter of Interpretation, Line Verification,
Special Activity Transition Area Waiver-Individual Permit
Applicant: G.U. Rao
168 U.S. Route 46 West
Block 3201, Lot 21
Mount Olive Township, Morris County

Dear Sir/Madam:

By way of this letter, we are requesting authorization of the referenced transition area waiver and letter of interpretation associated with a residential development project on the referenced property.

Enclosed please find the following materials in support of this request (Items 1 through 13 are contained in the Application Report). This submission is in accordance with N.J.A.C. 7:7A-3.4. and 6.3 (g).

1. Five copies of the Existing Conditions and Wetlands Delineation (permitting plan) prepared by Stewart Surveying & Engineering, LLC, consisting of two sheets, dated August 24, 2016. These plans depict the existing conditions, wetlands boundary, photograph locations, data points and all proposed regulated activities and development.
2. A copy of a Street Map indicating the location of the subject property.
3. A copy of a portion of the U.S.G.S. quadrangle map with the boundaries of the property clearly indicated. In addition, the state plane coordinates for the property are also indicated on the DLUR form.
4. A copy of a portion of the SUURGO Soil Survey Sheet with property boundaries clearly indicated.
5. Copy of Municipal Tax Map.

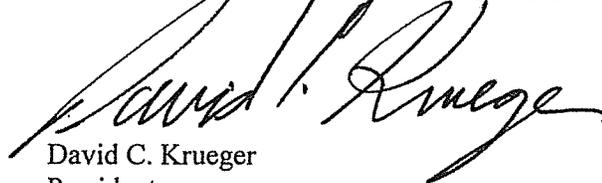

6. Color photographs of the property with description and location.
7. Data sheets indicating soil-boring information, depth to seasonal high water table, and vegetative species recorded at the borings.
8. Verification that a complete copy of this application was sent by certified mail notice to the municipal clerk.
9. Verification that certified mail notice has been forwarded to the environmental commission, planning board and the municipal construction official of the municipality; the county planning board; and to all landowners within 200 feet of the legal boundary line of the subject property. Also included is the certified list of property owners within 200 feet.
10. Compliance Statement.
11. Bog Turtle Non-Impact Certification
12. Swamp Pink Non-Impact Certification
13. Deed to property.

Also enclosed is the fully executed DLUR application form and appropriate fee of \$2,300.00 payable by applicant (check no. 10076) made payable to "Treasurer-State of New Jersey".

Please do not hesitate to contact our office should you have any questions regarding this application.

Very truly yours,

ENVIRONMENTAL TECHNOLOGY INC.
