New! November Sustainability Hero

The November 2015 Sustainability Hero is Lori Braunstein from Cherry Hill. Read about how Lori founded Sustainable Cherry Hill and helped 19 Cherry Hill public schools achieve Sustainable Jersey for Schools certification. See how The Cloud Institute, The NJ Tree Foundation, climate change, the Environmental Leadership Program and a dog named Oliver fit into the story on the [Sustainable Jersey Heroes page](#).

To capture the stories of our local leaders, we recognize a monthly Sustainability Hero. If you have recommendations for someone on your green team, municipal or school staff or task force that's a sustainability hero, complete the [submission form](#) and e-mail it to us at info@sustainablejersey.com.

One Week Away: Sustainable Jersey Annual Luncheon

It's your last chance to register for the premier celebration of New Jersey's sustainability community. Join us as green teams and municipalities celebrate the 2015 newly certified and re-certified communities. See a special performance from Gabbi Goes Green by the George Street Playhouse. Enjoy the lunch, network with your colleagues and then stay for the New Jersey State League of Municipalities (NJLM) conference; we have a series of [Sustainable Jersey workshops](#) for you to attend. Register for conference [here](#).

Sustainable Jersey Annual Luncheon

Tuesday, November 17, 2015, 12:00pm - 2:30pm
Sheraton Convention Center Hotel, Crown Ballroom, Atlantic City

REGISTER

*NOTE: Space is limited. Registration closes Sunday, November 15th at midnight and tickets will **not** be available to purchase on-site the day of the event.*

Other Upcoming Events

Debris Free Sea Conference

In honor of the 30th Annual Beach Sweeps, Clean Ocean Action will host a day of workshops and renowned speakers, and a discussion on marine debris issues in New Jersey. The conference will also discuss the larger issue of marine debris as it relates to science, policy, education, and citizen action. Attend the "Educating to Reduce the Marine Debris Epidemic" workshop and listen to Sustainable Jersey's Samantha McGraw discuss the most effective ways to educate the public on issues in this area. For more information, visit their [website](#).

Wednesday, November 11, 2015, 9:00am - 5:00pm

Brookdale Community College
765 Newman Springs Road, Lincroft, NJ 07738

REGISTER - FREE for students, teachers, & Beach Captains

REGISTER - All others guests are \$10

Extreme Events and Climate Adaptation Planning Workshop

The U.S. Environmental Protection Agency is offering this free, interactive training workshop to help utilities explore strategies for enhancing resilience to extreme weather events and plan ahead for addressing long-term climate change impacts. The workshop will include hands-on training with the EPA's Climate Resilience Evaluation Awareness Tool (CREAT), version 3.0. For more information, visit their [website](#).

Tuesday, December 8th and Wednesday, December 9th

U.S. EPA Region 2, Edison Environmental Center
2890 Woodbridge Avenue, Edison, NJ 08837

[REGISTER](#)

New Jersey Urban Water Conference

New Jersey Future will hold a half-day event bringing together state and local decision makers, practitioners and stakeholders to build awareness of the importance of modern drinking water, stormwater and wastewater infrastructure as key to New Jersey's prosperity. For more information, visit their [website](#).

Thursday, December 10, 2015, 8:00am - 12:30pm
New Jersey Institute of Technology
154 Summit Street, Newark, NJ 07102

Funding Opportunities

2016 "Building a Culture of Health in New Jersey" Call for Proposals

New Jersey Health Initiatives (NJHI), a Robert Wood Johnson Foundation (RWJF) program, is pleased to announce the 2016 Call for Proposals: Building a Culture of Health in New Jersey - Communities Moving to Action, Round 2. This effort is intended to further the Foundation's vision of building a Culture of Health in America by supporting communities across the state to take action to address multiple factors that influence health: health behavior, social and economic factors, clinical care, and the physical environment.

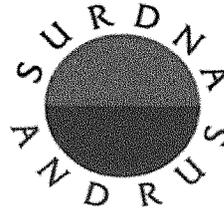

Optional applicant Web conference calls will be held November 18th, December 1st and 9th to discuss the grant application requirements. For more information and to register, visit their [website](#).

Proposal Deadline: January 14, 2016

Visit the Sustainable Jersey [Grants Portal](#) for a list of other available grants
