**We're halfway through #Giving Tuesday
but there is still time!**

**For just \$11 TODAY, you can help create a
brighter future for NJ students!**

We hope you will join the global celebration of giving back by donating to our "Fund a Kit, Fund a Kid" initiative.

Your tax-deductible donation of \$11 will provide a child with a kit to participate in our STEM-aligned (Science, Technology, Engineering, Mathematics) Junior Solar Sprints (JSS). ***We have hundreds of students who could use your help so any and all donation amounts would be greatly appreciated!***

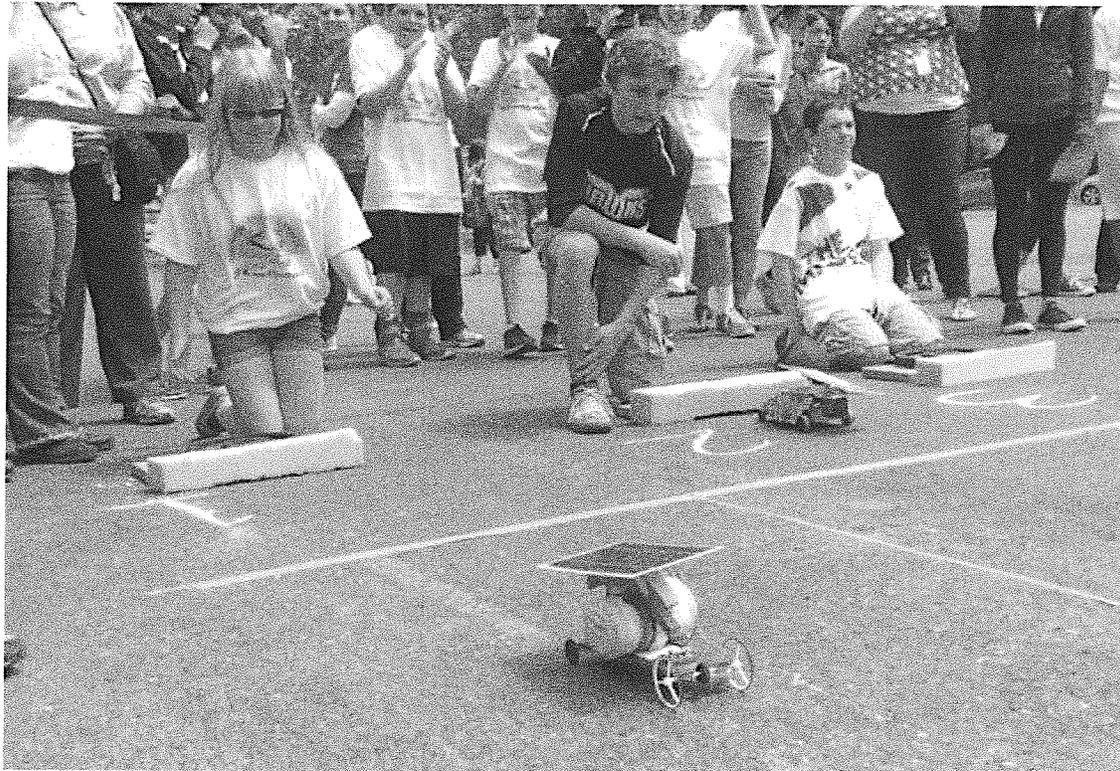

By donating **today**, you will enable children to participate in JSS and help their

dreams of becoming a scientist or engineer come true!

We hope you will consider supporting this great cause today!

If you would like to join us as a volunteer for JSS 2017, please call us at 973.267.7600 or email our Environmental Education Coordinator Kristen Tomasicchio at ktomasicchio@transoptions.org.

I want to "Fund a Kit, Fund a Kid"!
