**Rutgers Giving Day
Paint the Day Scarlet and Support
the Bloustein School!**

November 29th, 2016

Be a part of Rutgers Giving Day—a 24-hour online university-

wide fundraising event TODAY, November 29. It's a call to action to give back and support the **Bloustein School**.

Urban planning. Public health. Public policy.

For the last 25 years, the **Bloustein School** is where these three diverse fields converge, providing our students with the opportunity to understand the important role of planning and community design in public health, and the role of public health in planning and policymaking processes.

Planning and policy decisions at the state and local levels are integral to achieving healthy communities and supportive infrastructure. The **Planning Healthy Communities Initiative** at the Bloustein School seeks to make New Jersey the healthiest state by working to:

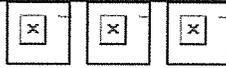

- Develop tools and analyses linking health outcomes with planning and public policy decisions,
- Produce best practices and other resources that state and local decision-makers can deploy to advance a Health in All Policies framework, and
- Promote **Health Impact Assessment** as a tool for evaluating future health impacts of planning and policy decisions.

Please support the **Planning Healthy Communities Initiative** by making a gift to the Bloustein School's Academic Excellence fund at **GivingDay.Rutgers.edu**. You can also help us celebrate the Bloustein School's 25th Anniversary with a \$25 donation, or celebrate Rutgers' 250th birthday with a \$250 donation. All gifts made between 12 a.m. and 11:59 p.m. are counted towards Rutgers Giving Day.

You can also follow the excitement on the Rutgers and Bloustein School social media pages. Spread the word using **#RUGivingDay** and become a Scarlet Voice now at **Ralumni.com/ScarletVoice**.

DONATE NOW!

Visit #RUGivingDay on Facebook, Twitter, and Instagram throughout the day to help us earn additional support through social media challenges!
