Dear Excavator:

New Jersey facility operators, including Atlantic City Electric, Elizabethtown Gas, New Jersey Natural Gas, Jersey Central Power and Light, PSE&G and South Jersey Gas, United Water, Verizon and New Jersey One Call Center, will be hosting our fifth annual series of meetings throughout the state to educate and promote the importance of underground utility safety. We encourage you and/or your staff to attend one of these **FREE** sessions to learn more about damage prevention and why it's so important to call 811 for a markout before you dig – it's the law in New Jersey.

Each session will begin at 7:30 a.m. with registration and a **FREE** breakfast. Presentations will begin at 8 a.m. and last until approximately 9:30 a.m. There will be time afterwards for questions. Listed below are details of all meeting dates and locations throughout the state.

Please contact the **New Jersey One Call Center** to register you or your staff for a meeting by calling **811** or you can register online at nj1-call.org. In the event of inclement weather, please call (732) 394-3017 for more information regarding event cancellation/rescheduling. We look forward to seeing you at one of the sessions.
