Highlands Stormwater Management Mobile Application Training

The Highlands Council is pleased to announce the availability of upcoming training sessions in support of Stormwater Management Planning as part of Highlands Plan Conformance implementation. Training sessions are two hours in duration and are being offered as indicated below. Additional details, including registration instructions, will be sent in February.

Highlands Stormwater Management Mobile Application Training – This session is designed for designated Stormwater Coordinators and municipal public works members. It will provide an overview of Highlands Council funded Stormwater Management Program elements, with a focus on use of a mobile application to assist with meeting the requirements of the New Jersey Stormwater Management Rules (N.J.A.C. 7:8) and Highlands Plan Conformance regarding the mapping of outfall locations and conditions. Sessions will be offered on:

Tuesday, March 8, 2016: 10:00am – 12 noon
Tuesday, March 8, 2016: 2:00pm – 4:00pm

Draft technical guidance documentation to support the Highlands Stormwater Management Program is available for download at <http://www.nj.gov/njhighlands/planconformance/#storm>.

Additional information is available by contacting your municipal Highlands Council Liaison. A list of Liaisons is available at: www.nj.gov/njhighlands/planconformance/liasons.html
