News from
Raritan Headwaters Association

Protecting water, and so much more

Earth Day Celebration

Join us on Friday, April 22 from 6 - 9 pm at the Ryland Inn in Whitehouse to celebrate Earth Day, where we'll present the first annual Ken Lockwood and Ian MacKay River Hero Awards and offer a variety of exciting auctions. Proceeds will be used to continue RHA's mission protecting clean water in the north and south branch region of the Raritan River.

On the Watershed Watchdog Front

RHA is part of a coalition fighting the **PennEast Pipeline**, a proposed 118-mile gas pipeline that would extend from northeastern Pennsylvania to Mercer County in NJ. **As proposed, it would affect 33 wetland complexes, 69 preserved properties and more than 60 water bodies.** RHA's goal is to halt pipeline construction until the State creates a strategic plan for all linear infrastructure--pipelines, roads, rail, and power lines.

Volunteer and Make a Difference!

RHA's 26th Annual Stream Clean Up on April 16 is fast approaching and volunteers are needed to collect trash from our waters at 40-plus sites throughout the region. We can't do it without your help! Bring your enthusiasm; we'll bring the bags, gloves, t-shirts and snacks. **Deadline for T-shirts is March 3!**

Family Storytime on Tap

Did you know that the magpie is the only bird known to recognize itself in the mirror? Learn more fun bird facts when Kim Kurki reads from her book, *World of Birds*, on **Sunday, March 13 from 2 to 4 pm**. Bring your muck boots and get out on the trails of Fairview Farm to look for native birds migrating back to our area!

Space is limited. [Register today!](#)

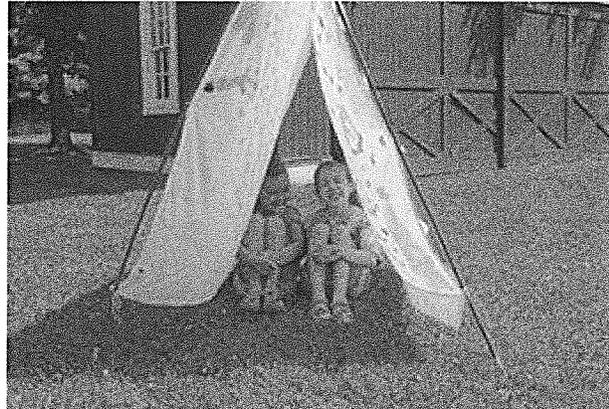

Nature Day Camp Registration Open

RHA is now accepting registrations for our 2016 Nature Day Camp Programs. To be held July and August, the camps offer youngsters an up close and personal opportunity to learn about the natural world around them, and how they play an important part in protecting the environment.

Camps fill up fast, so [register today!](#)

NEW: RiverFest with RHA!

These dynamic, hands-on programs bring watershed science to your school or community. By choosing from a number of water-related activities, schools can provide a fun, educational day for up to 200 students in levels 3 through 5, who will leave feeling engaged, motivated, and with a new sense of responsibility to their community and the environment.
