The logo for the Raritan Headwaters Association features a stylized, wavy line above the text "Raritan Headwaters" in a serif font, with "Association" in a smaller sans-serif font below it.

NOW IT'S UP TO THE GOVERNOR!

The NJ State Assembly passed the open space bill yesterday with a clear bipartisan vote! The bill (officially called the "Preserve New Jersey Act") could land on Governor Christie's desk as soon as today!

With your support, we've made it this far. Now let's get this bill signed! **Urge the Governor to not veto the bill again by calling his office at (609) 292 - 6000, emailing him from his website, or posting directly on his Facebook page.**

The Preserve New Jersey Act (S969/A780) will finally implement the funding voters approved in 2014 for Green Acres, farmland, and historic preservation programs.

Thank you for your help. It has made all the difference!
