Subject: Call for Award Nominations

Do you know someone who deserves an award?

Each year at its Annual Conference, the Sustainable Raritan River Collaborative gives awards to **recognize outstanding achievement** in efforts to revitalize our region, restore and protect our resources and promote our area as a premiere place to live, work and raise a family.

If you believe a person, organization or governmental group has gone above and beyond the call for a more Sustainable Raritan River or Bay we would like to know about them.

See the attached flyer for instructions on making a nomination and visit the Awards page of our website at <http://raritan.rutgers.edu/about/raritan-awards/> to see a list of past recipients.
