Volunteer and Make a Difference!

RHA's 26 Annual Stream Clean Up on April 16 is fast approaching and volunteers are needed to collect debris from our waters at 40-plus sites throughout the region. We can't do it without your help! Bring your enthusiasm; we'll bring the bags, gloves, t-shirts and snacks. **[Sign up today!](#)**

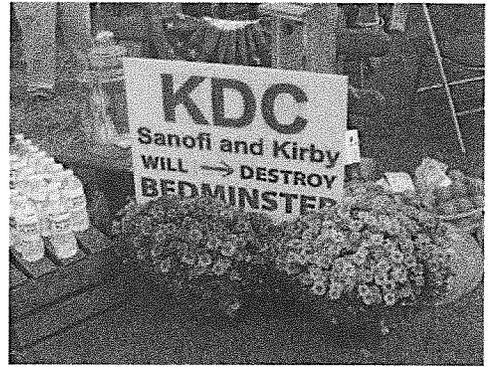

This April and May, Raritan Headwaters will be planting 600 trees! We need your help to get them all in the ground. For more information and to find out how you can get involved, email [George Schaberg](#) or call him at 908-234-1852 ext. 328.

On The Watchdog Front: Solar Industrial Project Averted

Over four years, RHA assisted in the local challenge to stop a project that would violate Bedminster's zoning and the intent of their master plan. Last month, KDC Solar, Inc. formally withdrew its application to cover a farm in Bedminster with 33,000 solar panels.

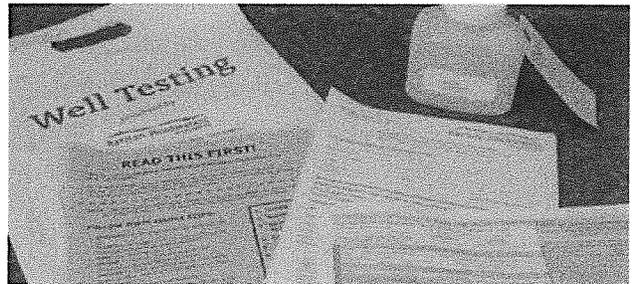

RHA supports renewable energy projects that improve our state's sustainability, however those projects must be appropriately sited. [Read more](#)

Spring 2016 - Community Well Test Program

Testing your well water is the only way to know if it's safe to drink. There are any number of contaminants--lead, arsenic, nitrates, coliform to name a few--we all should be testing for annually. The Community Well Test Date for Alexandria Township is April 23. For a full menu of tests offered to individuals and to learn which towns are

on the Spring Community Well Test roster, [visit our webpage](#).

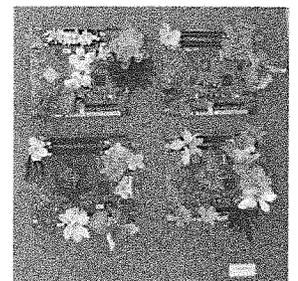

RiverFests with RHA!

These dynamic, hands-on programs bring watershed science to your school or community. By choosing from a number of water-related activities, schools can provide a fun, educational day for up to 200 students in levels 3 through 5, who will leave feeling engaged, motivated, and with a new sense of responsibility to their community and the environment. [Schedule a RiverFest today!](#)

Pingry Environmental Art Show

Raritan Headwaters proudly debuts Pingry School's new show of environmental artwork with a reception open to the public on Friday, **April 1 from 7:30 to 9 pm** in our new Science and Education Center, Fairview Farm, 2121 Larger Cross Road, Bedminster.
