There's Always Time to Register, Ride & Win!

We are 4 days into our 2016 Bike to Work Challenge but there's still time to get in on the bike commuting action! Just head on over to GoForGood.TransOptions.org to start tracking your bike commutes. You can

also download our free ride tracking app, GoForGood, available on [Google Play](#) for Android phone users and **now available** on the [App Store](#) for iPhone users.

While at our site, you can also find a complete list of all the [prizes](#), [rules](#) and [FAQs](#).

Remember, it's **not** about how fast or how far you travel but rather how **often you ride**. Not only will you be a healthier and happier commuter, but you would also help protect our environment with your two-wheel commute!

AAA Northeast Has You Covered!

AAA Northeast offers roadside assistance for cyclists as a benefit of membership. AAA Northeast will transport members and their bicycles anywhere within 10 miles at no cost, and minor roadside repairs may be available. For more information on AAA Bicycle Service, visit AAA.com/Bicycle.

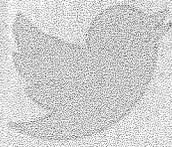

Good luck and ride on!

P.S. Don't forget to get social with your commute and share your journey with us! Just use **#TObiketowork** on your posts and we'll be sure to feature your journey. **This week's challenge: Share a picture of something unique you've found on your daily commute!**
