Re: Morris County YMCA Dam
NJ DEP File No. 25-67

Dear Mr. Mueller:

This letter is with reference to the 2015 Inspection Report and Dam Safety Compliance Schedule prepared by Christopher S. Adams, P.E. of Civil Dynamics, Inc., for the Morris County YMCA Dam located in Mount Olive Township, Morris County.

Based upon a review of the inspection report and our existing records, the Morris County YMCA Dam was found by your engineer to be in SATISFACTORY condition with maintenance necessary. Per the Dam Safety Standards (N.J.A.C. 7:20), the next regular inspection of the dam is to be performed in the year 2017.

The included Dam Safety Compliance Schedule was determined to be acceptable by the Bureau of Dam Safety and Flood Control. Per the schedule, an Emergency Action Plan was to be submitted in February 2016. The Bureau has not received the EAP; therefore, the Emergency Action Plan must be submitted by June 30, 2016.

Please be reminded that an application must be filed with this office and a permit issued before any repairs or modification are undertaken. Should you have any questions regarding this matter, please do not hesitate to contact Jillian M. Lawrence of this office at (609) 984-0859.

Should you have any questions regarding this matter, please contact Jillian Lawrence of this office at (609) 984-0859.

Sincerely,

John H. Moyle, P.E., Manager
Bureau of Dam Safety and Flood Control
