Funding Walk and Bike Friendly Communities Workshops

Creating walkable and bikeable communities is a successful strategy for maintaining and restoring economic vitality and improving public health in a community. Attend this workshop to learn more about the funding opportunities and other resources available to help create and maintain safe, walkable and bikeable environments in your town that provide opportunities for people of all ages and abilities to travel safely.

Workshop topics include:

- Tips and strategies for applying for federal and state grants that can make your project a reality. In particular, a review of the **Safe Routes to School** and **Transportation Alternatives Program** funding available

from the New Jersey Department of Transportation.

- Sustainable Jersey actions aimed at implementing pedestrian and bike friendly policies and environmental changes.
- Case studies of successful projects.
- Opportunities for participant questions.

Grant applications due June 27. Don't miss this opportunity to learn more about these grant opportunities and how to successfully develop your project proposals!

Attend one of the three workshops dates below. The workshops will run from 10am to noon.
