### RHA Celebrated Earth Day in a Big Way!

**More than 250 people joined us on April 22 at The Ryland Inn** for the *Our River Runs Through It* fundraiser, where Dan Ely and Jim Holland were honored for their dedication to the present and future health of the Raritan River. [Read all about it!](#)

[Watch our video tribute](#) to all that is being accomplished to protect the region's precious water supplies, which was debuted at the event.

### Stream Cleanup Nets Tons of Trash

Thanks to the 1,200 volunteers who came out in spectacular weather on April 16 to pitch in at 52 sites throughout the Raritan headwaters region, **we removed 12 tons of trash along 40 miles of stream!**

[Read more](#) about this year's hugely successful event.

## Find Out What's in Your Water

Residents can test their water this month through our **Spring 2016 Community Well Test** program in the following municipalities: Lebanon, Mt. Olive, Franklin Twp. and Union Twp.

Check out the full menu of tests available and dates and locations for purchasing a kit and dropping off samples.

Learn more about our well testing program.

## We Need You!

**RHA has an immediate need for volunteers** to install a demonstration rain garden in Bernardsville (Sunday, May 1, 10am-noon) and help plant trees (Saturday, May 7, starting at 8:30am) at Fairview Farm in Bedminster.

We also need help assembling materials for our stream monitoring and well test programs.

If interested, please contact:

Land projects: George Schaberg ([gschaberg@raritanheadwaters.org](mailto:gschaberg@raritanheadwaters.org))

Stream monitoring: Angela Gorczyca ([agorczyca@raritanheadwaters.org](mailto:agorczyca@raritanheadwaters.org))

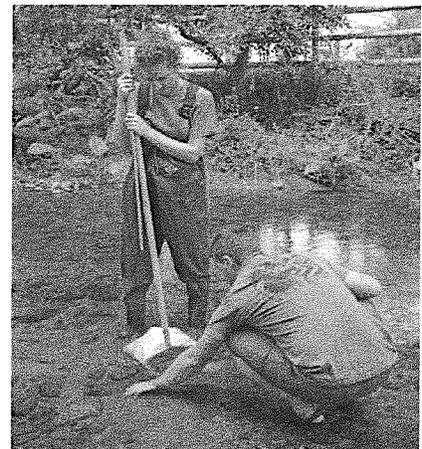

Well test program: [welltesting@raritanheadwaters.org](mailto:welltesting@raritanheadwaters.org)

## Stream Monitoring Training On Tap

Interested in protecting clean water in your community? Learn how to **become a volunteer stream monitor at RHA's FREE workshop**. This year's training will be held at the Wagon House at Dvoor Farm, May 21 for beginners (no experience needed) and May 22 for seasoned monitors.

Learn more.

## Summer Camps Are Filling Fast!

**Registration is open** for our 2016 Nature Day Camp Programs. Held in July and August, the camps offer youngsters an up close and personal opportunity to learn about the natural world around them, and how they play an important part in protecting the environment.

## Let Us Bring Watershed Science to You

**RiverFest, RHA's dynamic, hands-on program, brings watershed science to your school or community.** By choosing from a number of water-related activities, schools can provide a fun, educational day for up to 200 students in levels 3 through 5, who will leave feeling engaged, motivated, and with a new sense of responsibility to their community and the environment.

[Schedule a RiverFest.](#)
