**This information is being shared on behalf of the NJ Teen Safe Driving**

### **Coalition:**

Jason Friedman, CEO of Drive Safer, let TransOptions know that there are still slots available in the May 31 basic and advanced car control and defensive driving courses (see below), and as well as some of their other new programs! Drive Safer is providing a NJTSDC discount of 10% to anyone that signs up for any program OTHER than the online defensive driving course! The coupon code is: **DSNJTSDC2015**. You're encouraged to share this information with parents of teens as well as take advantage of it for yourself and your family, too. Keep in mind that even if you and/or your friends and colleagues have older teens who are in college, motor vehicle crashes are the number safety issue for teens and young adults through age 25. If have or know of teens who have been at college and not driving as much, these courses can help (that certainly applies to me!). Also, Drive Safer offers multi-registration discounts when you sign up more than one person. Many parents choose to take courses with their teens.

### **The programs include:**

- Drive Safer [Basic Car Control and Defensive Driving Course](#)
- Drive Safer [Advanced Car Control Course](#)
- Drive Safer [Parallel Parking Boot Camp™](#)
- Drive Safer [Building Blocks™ Young Teen Program \(14/15 year old teens on golf carts\)](#)
- Drive Safer [Classroom Defensive Driving Course](#)

- Drive Safer Online Defensive Driving Course

The fee to participate ranges from \$25 to \$399 depending on the program.
