Sum Sum Summertime!
Thursday, June 23, 2016 8-9:30AM
Geraldine R. Dodge Foundation, 14 Maple Avenue, Morristown

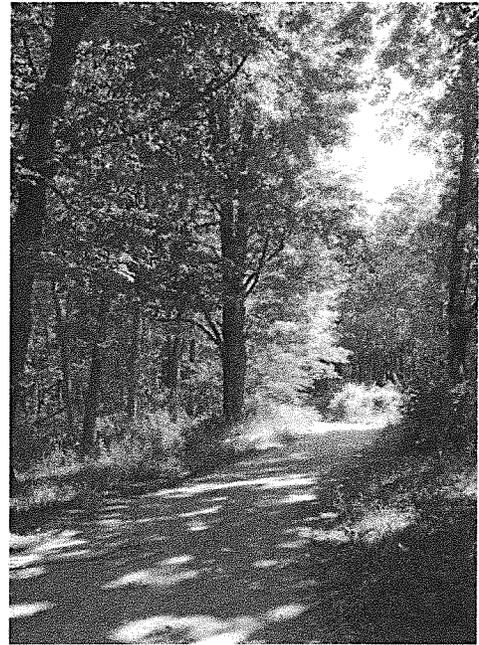

Find out what's happening in our area this summer.

Come listen to Dave Helmer, Executive Director of the Morris County Park Commission. The Morris County Park system is the largest in New Jersey by acreage, with over 18,000 acres and 38 facilities. The Park system offers diverse natural, cultural and historic resources, providing innovative education and recreation opportunities. Our parks and recreation are part of what makes our area such a desirable place to live and work.

Also joining us will be Sue McCluskey, the Farmers' Market Manager in Morris Plains. Sue will talk about downtown farmers' markets. These wonderful events help support our local farmers, bring fresh produce to our residents, and bring business to our downtowns.

The Great Swamp Passaic Municipal Alliance fosters an ongoing collaborative discussion of issues that transcend our individual municipal borders. Our goal is to approach shared concerns and address them in a regional and cost-effective manner by working together. This is an informal networking platform for the exchange of ideas, the sharing of concerns, and development of solutions, among people involved in municipal government.
