Technical Assistance Opportunity

Does your community want greener, more equitable, and more vibrant neighborhoods? Is your community interested in increasing resilience in the face of extreme weather events? Are there significant projects on the horizon that your community wants to make sustainable?

Global Green is now accepting applications for no-cost technical assistance that can help communities achieve these goals. The assistance uses Global Green's sustainable neighborhood assessment tool, which is based on the LEED for Neighborhood Development standard, a nationally recognized method for creating neighborhoods that are walkable, bikeable, resource-efficient, and equitable. This free assistance is being provided under a grant to Global Green from EPA's Office of Sustainable Communities' Building Blocks for Sustainable Communities Program.

Eligible applicants are local and tribal governments. **The deadline for applications is July 17, 2015, at midnight PST.**

For more information and the application form, visit <http://www.globalgreen.org/press/gxocudahx8g29noqxp3knsalyr3hlc>.

If you are not already a member, the Office of Environmental Justice would like to invite you to join the EJ ListServ. The purpose of this information tool is to notify individuals about activities at EPA in the field of environmental justice. By subscribing to this list you will receive information on EPA's activities, programs, projects grants and about environmental justice activities at other agencies. Noteworthy news items, National meeting announcements, meeting summaries of NEJAC meetings, and new publication notices will also be distributed. Postings can only be made by the Office of Environmental Justice. To request an item to be posted, send your information to environmental-justice@epa.gov and indicate in the subject "Post to EPA-EJ ListServ"
