Subject: NLC Nashville: explore after the conference!

Professional development, with a side of personal enjoyment.

If you're going to travel for a conference, you might as well enjoy the surroundings! Register for NLC Nashville this November, and after the sessions are over you can see for yourself why Nashville is one of the hottest travel destinations in the U.S.

Top 10 things you can only do in Nashville:

1. **Hit The Hall** – Kick off your Nashville experience with a day at the newly-expanded Country Music Hall of Fame and Museum. The world's largest popular music museum offers ever-changing exhibits featuring the legends of country music past and today's hottest stars.

2. **Ride The Row** – Take a tour of Music Row and visit historic RCA Studio B, the famous recording studio where Elvis recorded over 200 songs. Roy Orbison, Dolly Parton, Chet Atkins, Eddy Arnold, and many more recorded classic hits here. Not surprisingly, the heartbeat of Music City is driven by music – from country to classical. Tours of RCA Studio B depart daily from the Country Music Hall of Fame® and Museum.
3. ... (For the rest of the list, check out the Things to Do page on the conference website!)

Plus, hear from Mayor Dean in this brief video where he discusses Nashville's strong identity and what makes the city unique.

Learn all about the conference - including mobile workshops where you'll learn directly from the City of Nashville, conference workshops, and NLC University seminars - on the conference website.
