SPECIAL ANNOUNCEMENT: NJDOT TAP GRANTS

The New Jersey Department of Transportation has initiated the Transportation Alternatives Program (TAP) grant competition. TAP provides federal funds for community based "non-traditional" projects designed to strengthen the cultural, aesthetic and environmental aspects of the nation's intermodal system.

With a narrow application window and plenty of statewide competition, you need Millennium's experience to craft a strong application that stands out from the rest. Please contact us today to discuss how we may be of assistance.
