A. APPLICATIONS FOR DEVELOPMENT IN THE PRESERVATION AREA.
No Application for Development as defined in this Chapter involving property located (or partially located) in the Preservation Area of the Highlands Region, for which application submission requirements apply under this Ordinance, shall be deemed complete or considered for review by the Planning Board until and unless the Applicant has obtained and provided a copy of:

accompanied by a certification, as detailed in Section 1.B below, by the Applicant's professional(s) that the application has been revised since review by the Highlands Council to achieve consistency with the Highlands Regional Master Plan.

B. FINDINGS OF INCONSISTENCY. Where a Highlands Council Consistency Determination indicates that an Application for Development is inconsistent with the Highlands Regional Master Plan, no such application shall be deemed complete or considered for review by the Planning Board, until or unless the Applicant has obtained from the professional(s) responsible for preparation of the Applicant's plans, a certification indicating that to the best of the knowledge and abilities of such professional(s), the plans have been revised to achieve consistency with the Highlands Regional Master Plan and specifically describing the revisions made to achieve such consistency.

C. EXCLUSIONS. The following specific improvements and related applications shall be excluded from the provisions of this Section:

2. The reconstruction, within the same footprint, of any building or other structure lawfully existing as of the effective date of this Ordinance, in the event of its destruction or partial destruction by fire, storm, natural disaster, or any other unintended circumstance.

This exclusion shall not be construed to permit ultimate disturbance or

cumulative impervious surface in excess of that provided at 1, above, for single-family dwellings.
